

Team Building Workshops

Investing into People To Grow Better Together

WORKSHOP OBJECTIVE

Vision Board Challenge
The workshop kicks off with Vision Board: Targets, Goals and the Fun, which is unpacked and how the team can apply this effectively and improve in showing up positive at work.

Wheel Change Challenge
Ask yourself, how confident would you feel on the road driving to and from work when you know how to change your own wheel.

Karting Challenge
In this segment individuals are grouped together to race it out on the race track in racing built karts, with agile handling and higher speeds. Strategy, driver changes and strategies is the objective in this module.

WHY CHOOSE US?

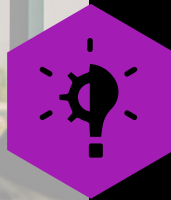

Our Hub platform makes it easy for your entire company to work together — from marketing, to sales, to customer service. Each hub is powerful alone, but they're even better together.

OUR STORY

Fabienne's passion for Motorsport ignited in her youth. Fabienne has over 25 years experience in the Motorsport industry where showing up as a woman in a male dominated sport has been tough. Through these challenges and together with her talents, she has moulded herself into a successful Motorsport Athlete, Entrepreneur, Visual Marketing Designer and a woman with Vision

OUR VISION

A harmonious vision unfolds as men and women collaborate seamlessly, leveraging their unique strengths in both professional and domestic spheres. This symbiotic partnership harnesses a more enriching work environment, enhancing productivity and innovation. The result is a success story in many aspects, where customers benefit from a diverse and dynamic team-driven experience.

OUR MISSION

Our mission unfolds through a transformative workshop trilogy. A compelling Vision Board ignites minds, harnessing education and knowledge. The Wheel Change Challenge empowers individuals, instilling self-confidence. Dynamic karting, blending multitasking and instinctual reactions, elevates teamwork ethics. Together, these three parts synergize to cultivate knowledge, empowerment, and enhanced collaborative expertise.
